MEMORY STONES LAYOUT GUIDELINES

The following granite block layouts illustrate the approximate placement of lines and the maximum number of letters per (depending upon the size of letters used). The smallest rectangles represents letters = .75 in., mid-size rectangles = 1 in., largest rectangles = 1.25 in. Choose **only one** of the four possible layouts illustrated below, and clearly print your message (one letter, numeral, or punctuation mark per rectangle). You may omit any lines on your layout; however, you may not add lines (maximum is six (6)).

Please look at the sample layouts and instructions carefully before ordering your MEMORY STONES on the back of this sheet. The artist will design your memorial block as close as possible to your layout. Please include your check for $100. Make check payable to: ***Friends of Camp Batawagama (or FOCB) P.O. Box 482 Iron River, MI 49935***
