**Layout Samples**

The image displays two examples of memory stone layouts. The first example is a rectangular stone with the following text: "IN MEMORY OF", "CARL & ADA", "OLSON", "GIVEN BY THEIR 5", "CHILDREN". Callout boxes point to the first line, the name line, and the bottom line, providing measurements for each. The second example is a rectangular stone with the following text: "CABIN - B4", "SUSIE SCHULZE", "&", "LORNA ADDISON", "SWAM THE LAKE", "1959". Callout boxes point to the introduction line, the name line, and the bottom line, providing measurements for each. A central note box explains the use of ampersands and initials to save space.
